

Pull handles with soft inner face

Item description/product images

Description

Material:

Hard components glass-bead reinforced thermoplastic.
Soft components SEBS

Version:

Hard component matt black, soft component basalt gray.

Note:

Heavy-duty polyamide handle. Excellent carrying and gripping comfort thanks to its soft inner surface.

Black electro zinc-plated cap screws, nuts and washers are supplied.

For wet areas, the fastening material is supplied in stainless steel (1.4301).

Assembly:

From the front.

On request:

With individual caption, embossed or raised on the soft material. Hard and soft components are available in all RAL colors.
